Friendly' verified abatement.

Serial Numbers GFWA2009 - 199534 - GFWA2009 – 199723 (inclusive)

Carbon Neutral's mission to
is to reduce carbon
emissions through
education
and revegetation

We are a not for profit
company working with
hundreds of organisations
and thousands of individuals
to measure, reduce and
offset carbon emissions and
support revegetation
projects.

Carbon Neutral partners
with Men of the Trees WA,
Trees for Life in South
Australia, and Landscapes
for Life in Victoria. Together
these organisations have
contributed over 39 million
native trees to the
Australian landscape over
the past 30 years.
